AFRICAN RECORDER

ANNUAL INDEX

January 1—December 31, 1969

(COPYRIGHT)

This is the ANNUAL INDEX of AFRICAN RECORDER covering the period January 1 to December 31, 1969 (issues Nos. 1 to 26 of Vol. VIII, 1969). This INDEX amalgamates the Half-yearly Index issued to you earlier for the period January 1 to July 1, 1969 and incorporates the Index for the subsequent half-year period of July 2 to December 31, 1969.

The INDEX has been compiled on the alphabetical dictionary system with specified form-headings for each country, like COMMERCE AND INDUSTRY, COMMUNICATIONS, COMMUNISM, FINE ARTS, FOOD, FINANCE, POLITICS AND GOVT., SOCIAL REFORMS etc.

Items bearing on more than one country have been recorded under each country and at appropriate places to facilitate identification, e.g. Apartheid in South Africa is dealt under South Africa, UN and alphabet "A". The West Asian War has been entered under Israel, Egypt (UAR) and Jordan.

General items on Africa are placed under Africa—A. Items recorded under "Africa Outside Africa" have been indexed under an appropriate form-heading of the relevant country and its proper alphabet, e.g., FAO drought relief in Africa has been recorded under alphabet "A" and under UN. Impact of Franc devaluation has been mentioned under Africa, alphabet "F" and France.

World Bank activities figure under UN as also under alphabet "W"; African Civil Aviation Conference goes under alphabet "A" and Ethiopia. Under a country itself, an item bearing on more than a single topic has been recorded at appropriate places to facilitate cross-referencing e.g. "Ethiopian Students (abroad) protest against persecution" is indexed under Ethiopia, "Education and Science", and again under Ethiopia, "Politics and Govt." The Biafran War appears under "Nigeria-Defence" and again under Nigeria "Eastern Region".

Guinea (Equatorial) has now been given its abbreviated code GNQ, while South-West Africa (SWA) has been replaced by its new name Namibia (NMB).

Issued with May 21—June 3, 1970
